Are you ready?
You think you can tell us what to do?
You think you can tell us what to wear?
You think that you're better?
Well you better get ready,
....To bow to the masters.

Break it down!

Degenerate into somethin' fool
We just got tired of doing what you told us to do
That's the breaks boy, yeah, that's the breaks little man
Break it down!

D-GenerationX D-Generation

You think you can tell me what to do?
Do you know who your talking to?
Well you better get used to the way the ball bounces
I've seen what you got, it measures in ounces

That's the breaks boy, yeah, that's the breaks litle man
Break it down!

D-Generation X D-Generation

You think your a big man?,(ha-ha-ha-ha-ha)
I'll treat you like your a little man.
So tell me what it's like to be half a man
It must break your heart to see what I am, but

That's the breaks boy, yeah, that's the breaks little man
Break it down

D-Generation X

D-Generation

You think you can tell me what to do?
You know who you're talkin' to?
Rise up what made to be
Someone else can read like a book on a shelf that
You can read boy (yeah)
That you can read little man!
