

Rage Against The Machine **"Hey"**

Visit "[Hey](#)" on MotoLyrics.com

hey there...
you sent me e-mail about your new lyric site and i
just wanted to say that he is 0 compares to your other
site that i just love
he's great and you dont need to open another site
i love using lets sing it and i dont need a sustitute
i hope you'll take this as a compliment
Riko
please write me back if you get to see that

Riko is a twat, Why not use the forum?
Whoever wants to add their comments,
correct this but dont delete wat anyone has said

Josh -

Yup i kinda agree, riko is a bit of a retard for writing
this here
