Louis freeze & senen reyes cypress hill musik

Hey don't miss out on what you're passing,
You're missing the hootah of the funky buddah,
Eluder of the fucked up style's that get wicked
So come on as I start to kick it,
Cause we're like outlaws sriding while suckers are
hiding,
Jump behind the bush when you see me driving by'
Hanging out my window, and my magnum taking out
some negros
Acting kind of loco I'm just another local
Kid from the street getting paid for my vocals.
Here is something you can't understand,
How I could just kill a man

Here is something you can't understand,
How I could just kill a man
Here is something you can't understand,
How I could just kill a man
Here is something you can't understand,
How I could just kill a man
Here is something you can't understand

I be doing all the dumb shit yo
Cause nothing is coming from it
I'm not gonna waste no time fucking around I got ya
humming
Humming coming at ya! then you know I had to gat ya!
Time for some action just a fraction of friction
I got the clearance to run the interference
In to your saddle light shining a battle light
Sen got the gat and I know that we'll gat you right
Here's an example just a little sample:
How could I just kill a man
One time tried to come in my home take my chrome
I said yo it's on. take cover son or you're assed out
How do you like my chrome then I watched the rookie
pass out
Didn't have to blast him but I did any way, young punk
had to pay
So I just killed a man

How I could just kill a man

How I could just kill a man

How I could just kill a man
