Huh!

Yeah, were comin back then with another bombtrack

Think ya know what it's all about

Huh!

Hey yo, so check this out

Yeah!

Know your enemy!

Come on!

Born with insight and a raised fist

A witness to the slit wrist, that's with

As we move into 92

Still in a room without a view

Ya got to know

Ya got to know

That when I say go, go, go

Amp up and amplify

Defy

I'm a brother with a furious mind

Action must be taken

We don't need the key

We'll break in

Something must be done

About vengeance, a badge and a gun

Cause I'll rip the mike, rip the stage, rip the system

I was born to rage against em

Fist in ya face, in the place

And I'll drop the style clearly

Know your enemy... know your enemy!

Yeah!

Hey yo, and dick with this... ughh!

Word is born

Fight the war, fuck the norm

Now I got no patience

So sick of complacence

With the d the e the f the l the a the n the c the e

Mind of a revolutionary

So clear the lane
The finger to the land of the chains
What? the land of the free?
Whoever told you that is your enemy?

Now something must be done
About vengeance, a badge and a gun
Cause I'll rip the mike, rip the stage, rip the system
I was born to rage against em

Now action must be taken
We don't need the key
Well break in

I've got no patience now
So sick of complacence now
I've got no patience now
So sick of complacence now
Sick of sick of sick of sick of you
Time has come to pay...
Know your enemy!

Come on!
Yes I know my enemies
They're the teachers who taught me to fight me
Compromise, conformity, assimilation, submission
Ignorance, hypocrisy, brutality, the elite
All of which are american dreams
