Oh, the world is my expense  
It's the cost of my desire  
Jesus blessed me with it's future  
And I protect it with fire

So raise your fists and march around  
Just don't take what you need  
I'll jail and bury those committed  
And smother the rest in greed

Crawl with me into tomorrow  
Or I'll drag you to your grave  
I'm deep inside your children  
They'll betray you in my name

Hey, hey  
Sleep now in the fire  
Hey, hey

The lie is my expense  
It's the [Incomprehensible] of my desire  
The party blessed me with it's future  
And I protect it with fire

Well, I am the Nina  
The Pinta the Santa Maria  
The noose and the rapist  
The fields overseer

The agents of orange  
The priests of Hiroshima  
The cost of my desire  
Sleep now in the fire

Hey, hey  
Sleep now in the fire  
Hey, hey  
Sleep now in the fire

For it's the end of history  
It's caged and frozen still  
There is no other pill to take

So swallow the one that made you ill

The Nina the Pinta the Santa Maria  
The noose and the rapist  
The fields overseer

The agents of orange  
The priests of Hiroshima  
The cost of my desire  
Sleep now in the fire

Sleep now in the fire  
Sleep now in the fire  
Sleep now in the fire  
Sleep now in the fire
