I got to reach up to the sky's
But I'm scared of waiting, yeah
The world is ending for me,
So I got to go back,
Untill I see you there looking at me, looking at me
I say, your my destination
Lala, lala, lal, lal, lalal, lala, la

Chorus

I can see you right there,
So stop hiding
There's no back at all
Coz I'm traveling with you, yeah.
On my map your my destination,
So try to understand, I'm up here for you.
Because your my destination, destination
Lala, lala, lal, lal, lalal, lala, la

Were up here alone
And your hiding behind Saturn,
You don't want me to go,
But your proving nothing,
Your proving nothing,
But your proving nothing
Your not my destination
Eeee, your not my destination

Chorus

I can see you right there,
So stop hiding
There's no back at all
Coz I'm traveling with you, yeah.
On my map your my destination,
So try to understand, I'm up here fr you.
Because your my destination, destination
Lala, lala, lal, lal, lalal, lala, la

So you come out to fly with me
So you understand that your my destination
So back in Earth why don't you walk with me, yeah.
So up here, spend your time flying with me yeah, flying
with me, yeah!

Just you and me, you and me.

Chorus

I can see you right there, see you right there

So stop hiding, stop hiding

There's no back at all, back at all

Coz I'm traveling with you, yeah, yeah, yeah

On my map your my destination, destination baby

So try to understand, understand

I'm up here for you, for you.

Because your my destination, destination
