While the jingle bells are jinglin'
And the snow begins to fall
And my Grandma makes her gingerbread cookies
Just across the hall
I'm freaking 'bout what to get you
Then it suddenly occurs to me
The best Christmas present is to rock your body
underneath the fuckin' tree!

I wanna rock you hard this Christmas
I wanna fill your stocking with my candy cane of joy
We'll have a very merry motherfucking Christmas
I'll drive the love train down Santa Claus lane
I'm your little drummer boy

While the eggnog is all noggy
And the fireplace all a-glow
While our bodies are heatin' up in yuletide places down
below
I hope you like my present
It was way too big to wrap
I'm gonna get naughty all over your body
Come sit on Santa's lap!

I wanna rock you hard this Christmas
I wanna fill your stocking with my candy cane of joy
We'll have a very merry motherfucking Christmas
We'll drive the love train down Santa Claus lane
I'm your little drummer boy

(C'mon!)

We'll be slushin' like snow angels til the morning
We won't hear the reindeer hoofin' up above
We won't hear Santa coming down the chimney
We won't see he and my grandma making hot-ass
cookie love
But we'll hear him exclaim as he rides out of sight, he'll
fuckin' say:

Granny I rocked you hard this Christmas
I filled your stocking with my candy cane of joy

So have a very merry motherfucking Christmas

And the world will start rejoicing
And the choir boys start to sing (dominus tannenbaum)
And the lords a-leaping give the ladies in waiting their
five ass golden rings
And the seven pipers are piping
The eight maids are milking in the snow
And I'll be happy when I'm gettin' unwrapped by my
Christmas ho, ho, ho...
(ho ho ho ho ho)

Have a very merry motherfucking Christmas!
Peace on earth, we are the world, and frickin'
kumbaya!
Have a very merry motherfucking Christmas!
Deck the halls with your Christmas balls!
Fa-la la la-la la, FA LA LA!
