Never knew
It would happen
I never dreamed
That the end was near
All dressed up
For my wedding
Bout to say
I do but
Then i see you there

You're so damn selfish
Got me so helpless
I souldn't have to choose
Met you on friday told you
To call me
After the honeymoon

[Chorus:]
I'm standing
On the edge of my life
Now that you've gone
And blown my cover
Why do i have to suffer
I'm standing
On the edge of my life
And everybody's
Looking out
Of their window

Now there's
A simple solution
I know you've hear
Of polygamy
Aint tryin'
To start no confusion
But two
Is every mans fantasy

I'm so damn selfish
But i can't help it
I shouldn't
Have to choose

Met you on friday now
You can join me
On my honeymoon

(chorus)

(3x):
I can't let you go
I can't let you go no

I can't let you go
I love you so

(chorus)

I love you, i need you
Can't live
My life without you
