Are you prepared to feel the dagger  
Are you prepared to feel the pain  
Are you prepared to lay your life down  
To break these bonding chains  
Are you prepared to have them hate you  
Spit on everything you do  
Are you prepared to face the wicked wrath  
Of the eternal jew  
And if you answer "yes", white man I have one thing to  
say to  
you:

Ref: Stand tall, stand true  
On trial against the world  
Stand tall, stand true  
Our racial flag's unfurled  
Oh, never let them crush you  
Always say what's in your heart  
You're a soldier in the holy war  
They'll never take your will apart

Are you prepared to go the distance  
To pay the highest price  
To act as Robert Mathews did  
And give your life in sacrifice  
Are you prepared to feel the torture  
At the governmental hands  
Are you prepared to stop at nothing  
To free our once white lands  
And if you answer "yes" white man, I have one thing to  
say to  
you:

Are you prepared to feel the passion  
Of a brave and glorious dawn  
Are you prepared to seize the power  
See the white race carry on  
Are you prepared to see the bright sun  
Though it just might blind your eyes  
Are you prepared to see our holy flag  
Hoisted high up in the skies

And if you are, white man , prepared to face the jew  
Then stand right here by my side, as I say to you:

Stand tall, stand true  
On trial against the world  
Stand tall, stand true  
On trial against the world  
Hail the P.O.W.'s  
On trial against the world  
One day we will put the jews  
On trial against the world

The glory of a new day  
Our triumph of the will  
Stand tall white, racial comrades  
And a new world we shall build

Stand tall, stand true  
On trial against the world  
Stand tall, stand true  
Our racial flag's unfurled  
Oh, never let them crush you  
Always say what's in your heart  
You're a soldier in the holy war  
They'll never take your will apart
