I know what I am  
And I know who you are,  
You are the enemy.  
The law is laid down,  
My rule is laid down  
And the boundaries are set -  
You're either friend or foe.  
Our unity within the "scene"  
Is a contradiction.  
I don't unite  
With what I despise.  
Don't go along,  
I won't get along  
In this united scene dream.  
I won't pretend to care  
And waste my time,  
Waste my time on you.  
Our past was spent being a victim  
Of rudicule and now the victim is you.  
The game is gonna stop  
With a confrontation  
And we won't be take lightly.  
Forget the past, it's time for a new school,  
The HARDLINE - so now you're going  
To see why you're our enemy.
