Save your soul... Save your soul...
All of your life you have tried to make me miserable.
Save your soul... Save your soul...
Save your soul... Save your soul...
How you have tried to mess up my life,
I am not the only one and when all is said and done...
There is no forgiveness here, and I will not forget.
You'll burn in hell.You'll burn in hell.
There is no forgiveness here, and I will not forget.
Save your soul... Save your soul...
All of your life you have tried to make me miserable.
How you have tried to mess up my life,
I am not the only one and when all is said and done...
There is no forgiveness here, and I will not forget.
You'll burn in hell.You'll burn in hell.
There is no forgiveness here.
There is no forgiveness here.
There is no forgiveness here.
All of your life you have tried to make me miserable.
There is no forgiveness here, and I will not forget.
You'll burn in hell.You'll burn in hell.
