Now you see the things we had  
You lost 'em and you want them back  
I can't see our lives entwined  
So I'm just grateful  
About the things we had us two  
You lost 'em, now it's not me and you  
Hope it's worth what I give up  
Make me grateful

(Let go of your love)  
I saw it coming  
Like all the time  
I saw it coming  
And now you're not mine  
I saw it coming  
Like all the time  
I saw it coming  
And now you're not mine

Let go of your love  
Let go of me  
Let go of your love  
Let go of me

Moving to Metropolis  
My time has come for tender bliss  
Left you scattered behind  
While I'm just grateful  
I can't see what I could do  
For happiness for me and you  
Begun a new as a wiser man  
I'm just grateful  
I'm grateful

(Let go of your love)  
I saw it coming  
Like all the time  
I saw it coming  
And now you're not mine  
I saw it coming  
Like all the time  
I saw it coming

And now you're not mine

Let go of your love  
Let go of me  
Let go of your love  
Let go of me

(Let go of your love  
Let go of me  
Let go of your love  
Let go of me)

(Let go of your love)  
I saw it coming  
Like all the time  
I saw it coming  
And now you're not mine  
I saw it coming  
Like all the time  
I saw it coming  
And now you're not mine

Let go of your love  
Let go of me  
Let go of your love  
Let go of me

(Let go of your love)  
Let go of your love  
Let go of me  
Let go of your love  
Let go of me
