Why don't I see  
all the troubles you should have?  
Since you are poisoning  
We the people

At the end of the day  
even Jesus had to pay  
with his life  
Or was it for our eternity?

And we're gonna be ashamed  
If you wanna use our names  
To spread our warfare flames

You have transformed to be  
what I see as an enemy  
You have transformed to be  
what I see as an enemy

Blessed is he who reads  
and those who hear  
every word of this prophecy

And keep those things  
which are written in it clear;  
(Oh) For the time is near

And we're gonna be ashamed  
If you wanna use our names  
To spread your warfare flames

You have transformed to be  
  
what I see as an enemy  
You have transformed to be  
what I see as an enemy

\*Instrumental\*

I'm not ready to fight  
them all tonight  
I'm not ready to hit the

grave tonight  
I'm not ready to fly away  
on behalf of your treachery

I'm not ready to battle  
them tonight  
I'm not ready to meet  
the light tonight  
I'm not ready to take  
them down  
on behalf of your treachery

(Oooh) Should we consider  
raising our flags tonight?  
Shole we condsider  
raising our flags tonight?  
Or continuing hailing  
the cheifs  
Despite all their treachery
