How can I trust in anyone
When I can't trust myself?
I'm stealing from better lives
The lives up on the shelf
But I'm not
As lonely
As I thought
But I know now
That it takes much longer
To be free from them
What used to come so naturally
Seems to go away
You're killing me from inside out
To make me understand
And I can't
Believe this
And I pray that you'll find out
That I did understand
That you were...
That you were
FINE!!
FINE!!
FINE!!
FIGHT FINE!!
FINE!!
FINE!!
FINE!!
FIGHT FINE!!
LET ME GO!!
I'm seeing things from darker lives
We've seem to make a deed
You're never thinking for yourself
You're passing by your stray
And I can't
Believe this
And I pray that you'll find out
That I did understand
That you were...
That you were
FINE!!
FINE!!
FINE!!

FIGHT FINE!!
FINE!!
FINE!!
FINE!!
FIGHT FINE!!
