So go as far as you want this to go.
I want you to know, that I don't care.
I'm only laughing at what I'm afraid of,
I've never been seen, like this before .
Am I ashamed?
I wonder why, am I afraid to die?
I kill myself, or force myself to fly.
I can't hear, anything at all.
Can't you give me, just what I want?
This makes it harder to live with.
Seems like a burden to me now.
I'm only pushing away what I wanted.
The more that I need it, the more I do without.
And the urge will pass.
I wonder why, am I afraid to die?
I kill myself, or force myself to fly.
I can't hear, anything at all.
Can't you give me, just what I want?
I'm a brat now, now give it.
I'm a brat, now give it.
I'm a brat, now give it.
I'm a brat now.
I'm a brat now, now give it.
I'm a brat now, now give it.
I'm a brat now, now give it.
I'm a brat now.
So go as far as you want this to go.
I want you to know, that I don't care.
I'm only laughing at what I'm afraid of,
I've never been seen, like this before.
Am I ashamed?
I wonder why, am I afraid to die?
I kill myself, or force myself to fly.
I can't hear, anything at all.
Can't you give me, just what I want?
I'm a brat now, now give it.
I'm a brat, now give it.
I'm a brat, now give it.
I'm a brat now.
I'm a brat now, now give it.
I'm a brat now, now give it.
I'm a brat now, now give it.

I'm a brat now.
