It's only through you
That I'm learning the world
It's only through you that I can forgive
Well you've needed my protection
And I've been but a selfish pig
Then I learned what forgiveness means
To love is to forgive
It's only through you
That I'm knowing myself
It's only through you
That I can survive
Well it must have been some strange force
That brought you into my life
And it's got me hooked on you
I hope it never sets me free
Thank you for being there
And thank you for being you
May your little daughter do
What friends didn't do for you
I'll hold your tender
And you'll let me sing to you
Call out my name and you know
I'll be there for you
It's only through you
That I love things to come
It's only through you
That I'm staying awake
Well yoga is full of mystery
And life's full of temptations
Well I wouldn't have any plans
If it weren't for you
