Howl of trees attracts the Enemy  
Dumb breathing seems so loud  
the leaves are quivering in the wind  
they turn shadows into light.

Cursed wood, you trap a lot of lifes  
The mine one's part of them  
Jesus, bless me, I'm afraid to die  
why do you live me alone?

[Chorus]  
Made up faces next to me  
the smell of blood's attracted them  
You have to face with it!  
The story doesn't change!  
The human fault is here!  
The justice seems so far!....so far!!!

All is fair in love in fuck'n war,  
remorse gives me no peace.  
Now I feel like a fairful child  
'cause steps are not so far.

Land of struggle, land of suffering,  
you're stripping my own faith!  
The fortunes of the country  
depend on our pride!.....  
depend on our pride!

[Chorus]  
I can't escape, it's too much late,  
I'm waiting for the sickle, noooo!!!!  
You have to face with it!  
The story doesn't change!  
The human fault is here!  
The justice seems so far!....so far!!!

Howl of trees attracts the Enemy  
Dumb breathing seems so loud  
the leaves are quivering in the wind  
they turn shadows into light.
