[son]

You say my life is full of shame  
Unbalanced child in wasted roads  
Please call me "son" i need you, mum!  
Why didn't you dry my frightened tears!

[mum]

I don't know you can be here  
You can't be true, i've burned your soul  
I am the prophet of new world  
I've heard the devil through your voice

[son]

They showed me how you wiped out (my) life  
Your hands were cold and full of sweat  
You stripped my neck with no regret  
My white eyes lit up hole night

[mum]

It's clear you're telling me a lie  
Eternal sufferning should reign  
I've done that public sacrifice  
To save the pact with him

Shut up, die!  
The new fate will rule;  
Shut up, die!  
Idyllic life for all.  
Curse your name  
I have your presence  
Curse your name  
Destroy all your words

[son]

Repent for all the rest of your life  
But this should be not enough  
I can forgive but not decide  
The price of your mistake

[mum]

I will do things told by the arcane  
To bring the spell in life

And so the heaven has been saved  
This is reality

Shut up, die!  
The new fate will rule;  
Shut up, die!  
Idyllic life for all.  
Curse your name  
I have your presence  
Curse your name  
Destroy all your words

[son]  
Please call me "son" i need you, mum!  
Why didn't you dry my frightened tears!
