It's still um favourite time of year
the thought and carols from Christmas year
songs we love on the radio
rapped time warm to play in the cold.

And I hope it snows tonight,
and it's Christmas time when we feel so right

Chorus:

Love those presents under the tree,
the lack of shadow on Christmas eve
I still believe.

Love the way when I hear those..
listen right now is a quiet scene
I still believe.

Love this time of the year.

It's time to have the family around
the bitter snow.. knocking down
mistletoe fall that Christmas kiss
save the ones we miss.

And I hope it snows tonight,
And I hope it snows tonight,
and it's Christmas time when we feel so right

Chorus:

Love those presents under the tree,
the lack of shadow on Christmas eve
I still believe.

Love the way when I hear those..
listen right now is a quiet scene
I still believe.

Love this time of the year.

Now if you're near or far,
no matter where you are
you'll be in our hearts tonight.

[Chorus:]

Time of the year

I love this time of the year.
