Darkness falls as the prophecy said  
"The time of the doom will arrive"  
The wolf ate the sun, the giant the moon  
None of the stars has remained

Out of the chasms  
The children of evil...  
It's Ragnarok  
The serpent - the Wolf  
All of the giants  
The end of the world!

And when the wolf comes  
One voice breaks the night  
Asgardh unite! - Asgardh unite!  
All of the gods're coming  
Heading the call  
Asgardh unite! - Asgardh unite!

The call of the horn resounds in the air  
The warning for the ending of all

Odhinn and Thorr and Tur join the battle  
The clash of the monsters and gods

Out of the chasms  
The children of evil...  
It's Ragnarok  
The serpent - The Wolf  
All of the giants  
The end of the world!

Chorus

The prophecy was clear  
The end of the gods had to come  
The doom of the powers  
Yet... The gods will still face their destiny!

Out of the chasms  
The children of evil...  
It's Ragnarok

The Serpent - The Wolf  
And all of the giants  
The end of the world!

Chorus
