I walk in light

I am no longer in longer in the darkness

I am a child

Of the Most Holy One

And every day I will thank Him for His mercy

That chose willingly

To be a sacrifice for me

I believe in the cross

I believe there was a cost

The blood of Christ was shed

To pay the price for the lost

And I believe the Father gave

His son so He could save

This captive heart of mine

And set me free

Yes, I believe

I live by faith

I choose to stand upon the promise

That God's sweet grace

Will hold me close to His side

As I feel His Spirit's warm embrace

Flowing through me, changing me

I will never be the same

Heaven opened up and sent my Savior to me

And I have been redeemed
