All I ever wanted  
Was a love to be true  
More than just enough to get me by  
I want a love to see me through.  
I don't need another well-spent night  
Another clever, sideways glance  
I wanna look my Baby in the eye  
And know there's nothin left to chance  
Chorus  
So if you're tired of bein lonely,  
Beat up and confused  
Darlin there is only  
One thing you can do  
Come to Me  
I'll be the one who's waiting  
Come to Me  
I got what you need  
Come to Me  
Won't be no hesitating  
I know what you mean to me.

I'm gonna hold out for the one I want  
Ain't gonna settle for less  
Cause the kind of love I'm looking for, Baby  
You can't fake, you can't finesse.  
I ain't looking for the kind of man, Baby  
Can't stand a little shaky ground  
He'll give me fire and tenderness  
And got the guts to stick around.  
Chorus
