Hey, Hey, Hey, Hey, Hey

Midnight, I'm wound up tight

Slowly comin' down in the daytime

I been lyin' low from work, hangin' over from the hurt  
from you babe

But I'm gonna suffer through the strain, till I get a

Better thing with you, Darlin', me and you.

So far to see ahead

When I can't seem to drag myself out of bed

gotta find me a good man, a good man, a good  
man.Yeah.

You better stop, think about what you're saying

I was seriously dedicated, in the game of playin'

You made ten thousand promises you could'nt keep

I forgave you when you lied, pleaded and weeped

Put up with your disrespect and neglect

What an experience, I'll never forget.

Till now, everything I did was wrong. (I'm sorry, baby)

Today you're free, but we live alone.

Gotta find me a good woman...Good woman...Good  
woman...Yeah.

It was twelve o'clock in the midnight hour

I heard the door slam, and then the shower

When I got up, you were already gone

I slipped and fell, from the water you left on.

Gotta find a good woman

Gotta find a good man

Gotta find a good woman

Gotta find a good man
