Hey!

Shut up.

Don't lie to me.

Hey!

Mister, how do you do.

Oh pardon me I thought I knew you.

Would you stand back baby 'cause I want to get a better look.

The big man who couldn't handle the little bit of love you took.

Hey, hey, have a heart, hey, have a heart.

If you don't love me, why don't you let me go?

Have a heart, please, oh don't you have a heart?

Little by little you fade while I fall apart.

Oh darling, I love you so.

I told you yes, and then you told me no.

Baby, how can you say

You should be free and I should pay and pay

And you talk and talk about you and what you need

But sooner or later your love is gonna make me bleed.

Hey, hey, have a heart, hey, have a heart.

If you don't love me, why don't you let me go?

Have a heart, please, oh don't you have a heart?

Little by little you fade while I fall apart.

Oh, Oh.

Talk on, talk on, but love is what you need.

And sooner or later that love is gonna make you bleed.

Hey, hey, have a heart, hey, have a heart.

If you don't love me, why don't you let me go?

Have a heart, please, oh don't you have a heart?

Little by little you fade while I fall apart.

But don't you run away baby
