You took my love and ran away

What did you expect me to say

I gave you everything I could

but you weren't giving up, baby

What you should

I Sho do...Need You

I Sho Do...Want You

I'm in need of what you've got

It makes my blood boiling hot

You told me baby, A long time ago

That you'd never, ever leave me

Never, no more

I Sho Do...Need You

I Sho Do...Want You

I Sho Do...Wish For You

I Sho Do...Walk the Floor All Night Long

When you see me, baby standing alone

Come and help me baby, Cause I'm out on my own

You see it ain't easy in the streets

But what you've got baby, could help me to my feet

I Sho Do...Need You

I Sho Do...Want You

I Sho Do...Wish For You

I Sho Do...Walk the Floor All

Night Long
