Rainy Night, I'm All Alone

Sittin' Here Waitin' For Your

Voice on the Phone

Fever Turns to Cold, Cold Sweat

Thinkin' About the Things We Ain't Done yet

Tell me now, I've got to know,

do you feel the same

Do you just light up at the mention of my name?

Don't worry baby, it ain't nothin' new

That's just love sneakin' up on you

If your whole world's shakin' and you feel like I do

That's just love sneakin' up on you

Nowhere on Earth for your heart to hide

Once love comes sneakin' up on your blind side

And you might as well try to Stop the Rain

Or stand in the tracks of a Runaway Train

You just can't fight it when a thing's meant to be

So come on let's finish what you started with me

Don't worry baby, it ain't nothin' new

That's just love sneakin' up on you

If your whole world's shakin' and you feel like I do

That's just love sneakin' up on you
