A friend of mine she cries at night and she calls me on
the phone

Sees babies everywhere she goes and she wants one
of her own

She's waited long enough she says and, she still he
can't decide

Pretty soon she'll have to choose and it tears her up
inside

She is scared

Scared she'll run out of time

I see my folks are getting on and I watch their bodies
change

I know they see the same in me and it makes us both
feel strange

No matter how you tell yourself, it's what we all go
through

Those lines are pretty hard to take when they're starin'
back at you

Scared to run out of time

When did the choices get so hard, there's so much
more at stake

Life gets mighty precious

When there's less of it to waste

Ooh ooh ooh ooh

Scared to run out of time

Just when I thought I'd had enough and all my tears
were shed

No promise left unbroken, there were no painful words
unsaid

You came along and showed me how to leave it all
behind

You opened up my heart again and then much to my
surprise

I found love, baby, love in in the nick of time

(Love in the nick of time)

I found love, darlin', love in the nick of time

I found love baby, love in the nick of time
