As I walk along I wonder what went wrong

With our love, a love that was so strong

And as still walk on I think of the things we've done

Together while our hearts were young

I'm a walking in the rain, tears are falling and I feel a
pain

Wishing you were here by me to end this misery

And I wonder, I wo wo wo wo wonder

Why, why why why why why she (you) ran away

And I wonder where she (you) will stay

My little runaway, a run run run run runaway
