So now there's somebody new,  
These dreams I've been dreaming, have all fallen  
through.  
You say I'll be fine, it only takes time  
Someday, that may be true

But it's too soon to tell  
It's too soon to say  
Maybe someday I'll be able to wish you well  
But right now, it's just too soon to tell

It's all for the best, so you say  
You never intended to hurt me this way  
You want to hear  
I won't drown in my tears, well, baby the best that I can  
say

Is it's too soon to tell  
It's too soon to say  
Maybe someday I'll be able to wish you well  
But right now it's just too soon to tell  
Well right now, it's just too soon to tell
