Struck by the moon

Risin' too soon

I feel a pain deep inside me

Cold northern winds

fist in my chin

Makin' me wild for you baby

What can I do

To get back to you

I'm feeling desperate and lonely

The city's a river

Of cold misery

Makin' me wild for you baby

I'm down on my knees

Hear me cry for you baby

Cold misery

I would die for you baby

I pray you will see

These tears I cry

Nites I can't sleep

My tears are cheap

I'm losin' hold of my senses

I can't contain

All of this pain

And it's makin' me wild for you baby

I'm down on my knees

Hear me cry for you baby

Cold misery

I would die for you baby

I pray you will see

These tears I cry
