Women be wise, keep your mouth shut, don't advertise
your man.

Don't sit around gossiping, explaining what your good
man really can do.

Some women nowadays, Lord they ain't no good.

They will laugh in your face, then try to steal your man
from you.

Women be wise, keep your mouth shut, don't advertise
your man.

Your best girlfriend, she might be a highbrow,

She changes clothes at least 3 times a day.

What do you think she's doing now? While you're so far
away.

She's loving your man and in your own damn bed.

You better call for the doctor, mama, try to investigate
your head.

Women be wise, keep your mouth shut, don't advertise
your man.

Women be wise, keep your mouth shut, don't advertise
your man.

Don't sit around, girl, telling all your secrets,

Telling all those good things he really can do.

If you talk about your baby and you tell me he's so fine.

Lord honey, I just might sneak up and try to make him
mine.

I said, women be wise, keep your mouth shut, don't
advertise your man.

Don't be no fool, don't advertise your man.

(Baby, don't do it)
