Every time I look into your lovely eyes

I see a love that money, just can't buy

One look, from you, I drift, away

I pray, that you, are here, to stay

Anything you want, you got it

Anything you need, you got it

Anything at all, you got it

Baby

Everytime I hold you, I begin to understand

Everything about you, tells me your my man

I live, (I live) my life, (my life) to be, (to be) with you
(with you)

No one, (no one) can do, (can do) the things, (the
things) you do (you do)

Anything you want, you got it

Anything you need, you got it

Anything at all, you got it

Baby

Anything you want

Anything you need

Anything at all... Babe

Whoa yeah babe

I'm glad, (I'm glad) to give, (to give) my love, (my love)
to you (to you)

I know, (I know) you feel, (you feel) the way, (the way) I
do (I do)

Anything you want, you got it

Anything you need, you got it

Anything at all, you got it

Baby

Anything, anything you want baby

Anything you need

Anything at all

Anything at all

Baby, you got it
