[Lil Wayne:]

Man,  
The floor is so new,  
Hop out the car like I don't know shoe,  
Hop in the bar like HI, how are you?  
Hey I'm a star, aren't I so cute?  
Look, I been this way since independence day,  
The first breath not the holiday,  
I'm nowhere near finished I am here to stay,  
Got bricks in my shoes if you want you can loose.  
Heres a couple things I want you to do,  
Grap a couple seats I got a story for you,  
I come from the hood and make good just to prove,  
To myself that I can finish somethin cause I dropped  
outta school.  
But don't play me like a fool,  
I got money in the bank like Bill Gates do,  
And that may be stretching the truth,  
But I'm so fly I can say it it's cool.

I'm so fly and I don't know why  
I'm so fly and I don't know why  
I'm so fly and I don't know why  
If I take a sip I might fall down and die...

I'm so fly and I don't know why  
I'm so fly and I don't know why  
I'm so fly and I don't know why  
If I take a sip I might fall downnnn...

Weezy aka take your girl to my toolbox,  
She ain't gettin off unless she get off two of us,  
Don't give me that cup unless it fuckin come poured up,  
And when I say poured up I mean with syrurppp  
Young money baller I deserve a tall bitch,  
If these walls could talk they ain't talkin bout ya'll's shit,  
Man I swear I'm so fly,  
I wake up in the sky wipe the cloud out my eye,  
Weezy is so fly in any weather,  
Hold up, (spit) there goes a feather,  
Ya'll n\*\*\*\*\* ain't even showed tha level,  
And I know who tha level, I'm over level.

I'm watchin t.v. with regina and angelo  
I'm on their brain like some muthafuckin antlers.  
Yeah, shake some white dancers,  
Question my swag and get a muthafuckin answer.

I'm so fly and I don't know why  
I'm so fly and I don't know why  
I'm so fly and I don't know why  
If I take a sip I might fall down and die...

I'm so fly and I don't know why  
I'm so fly and I don't know why  
I'm so fly and I don't know why  
If I take a sip I might fall downnnn...
