(Chanting...)

He breaks me down, He builds me up  
He fills my cup, I like it rough  
We cuss, we ball, We rise, we fall  
He comes in late, But it's okay  
We do, I do, He knows the rules  
Takes care of home  
Though he's not alone

I'm on his team,  
He keeps me clean  
And gives me things, He makes me scream,  
He's so contagious, He returns my pages  
He's got me anxious  
He's what I've waited for  
He keeps me guessin' (Oh...), Spontaneous  
He's so persuasive, And I'm his lady (Oh...oh...)

Tonight is waitin' (Tonight is waitin')  
And I ain't complainin' (And I ain't complainin')  
I'm entertainin' (I'm entertainin')  
My number one thing is (My number one)  
My back is achin' (My back is achin')  
From all love makin' (From all love makin')  
Oh, yes, I'm taken  
And no use in fakin' (Oh)

My ups, my downs, My high and my lows  
From head to toe, He makes me blow  
He hits the spot, He makes me hot  
I'm all that he's got, And he's all that I've got  
He's so contagious, returns my pages  
He's got me anxious, He's what I've waited for  
He keeps me guessin' (He keeps me guessin')  
Spontaneous (Spontaneous)  
He's so persuasive (So persuasive)  
And I'm his lady

(Rakim)

Thinkin' of a master plan  
You know anything you need, baby, ask your man  
You was there from a half a gram

Now it's kilos to C notes, and high fashion brass  
We ball like we own the world  
The only concern is you my only girl  
And when we speaking in tongues, breathin' hard  
when I'm  
squeezin' ya lungs  
Keep it strong, but I gotta hit the streets when I'm  
done  
It's joy and pain when you try and get ahead of the  
game  
It's fucked up, but you never complain  
You just pray I don't killed when I hit the hood  
Just another hundred mil' and I'mma quit for good  
No more drug wars, trips to jail and shoot outs  
To gettin' loot out for boys in bail, they'll get you  
boot out  
Just me and you, hour of sex and twisted  
You O.G. til you .O.D. addicted  
(Chanting...)

He's so contagious, returns my pages  
He's got me anxious, He's what I've waited for  
He keeps me guessin', Spontaneous  
He's so persuasive (So persuasive)  
And I'm his lady (And I'm his lady)  
He's so contagious, returns my pages  
He's got me anxious, He's what I've waited for  
He keeps me guessin', Spontaneous  
He's so persuasive, And I'm his lady
