[Intro: Rakim]

Yeah!

You know what this is.

N-Y-C!

The triumphant return... (Rakim Allah!)

Uh!

Yeah!

Uh-huh!

Yeah!

Uhh!

[Rakim:]

Remember being introduced to rappin' your first rhyme?

It's pivotal! - Like a fiends first high.

Hustlers first ride, - players first dime,

Unforgettable like the ladies first time.

The world been waitin' for euphoria

The true form with a sixth sense. - New nausea.

True talk to the tomb, so you forced me to go hard

Like the streets is the womb - and New York

Be the birth place of Hip-Hop. - Get it? It's the model!

Where swagger was born, we set trends to follow.

The home of the gods, the go-getters and my flow

Ain't a city been so prolific since Cairo.

Hiero-glyphic. - Graffiti paint of view

Slang languages, too, just naming a few.

Still claiming through that thing that you do

Til you famous and just love for the game and this

bangers for you!

[Chorus: Cocoa Chanelle]

Euphoria... - Euphoria, natural high. (high!)

Feeling good off this Hip-Hop I supply. ('ply!)

Time goes by. (by!) - Still world wide (wide!)

Still top five rapping, dead or alive! ('live!) - Euphoria...

[Bridge: Rakim (Styles P)]

The world been waiting for euphoria... [scratches]

[Screwed] Euphoria! [scratches] (you wronged the shit!)

The world been waiting for euphoria... (salute!)
[scratches]
Euphoria...

[Styles P:]

I love Hip-Hop to death! (I love it!)
Drop science like Rakim. - My thoughts manifest.
(yeah!)
Yeah, I'm the Ghost but you can see me in the flesh
(see me?!)
Created a father that he can see me through the test.
(see me!)
It wasn't for rap, my life will probably be a mess
(mess!)
Used to sell crack outside. (true!)
Had a bad attitude, used to scrap outside (true!)
But listen to that motherfucker rap outside! (yeah!)
You can hear me over the guns that clap outside (you
been!)
True warrior raps my euphoria. (I love it!)
Only my mind can bring me this many stories up (only
my minbd!)
No elevators! - No escalators! (uh-uh!)
Spit hard 'til death or respirators (spit hard!)
This is alpha-omega, nigga. - Get your data! (get your
data!)
I transform when the mic' plugged in
Cause the feelings euphoric. - Cause I spit boric! (yes!)

[Chorus]

[Bridge: Rakim (Jadakiss)]

The world been waiting for euphoria... [scratches] (uh!)
[Screwed] Euphoria! [scratches] (uh-huh!)
The world been waiting for euphoria... [scratches] (HA-
HAAAAAAAAHHH!)
Euphoria... (uh, yo!)

[Jadakiss:]

At the end of the day - what does it all amount to?
(what?)
Verses too strong to be sold over the counter. (drugs!)
Industry is like a night club and I'm a bouncer (haha!)
I don't give a fuck about what you can sell and ounce
for.
Nah! - That ain't the topic of discussion
It's the music, y'all niggas think it's knocking it's
disgusting. (uh-huh!)
I just rather pull it out, cock it then bust him!
Feels like he plugged into a socket when you touch
him! (hahhh!)

Ain't a thang for me! (nah!) - Pain then glory. (yeah!)
Temporary thug exchange the same story.
That's why I'm still militant. - Still killing it!
Soon as it enters the blood stream; start feelin' it.
(uhh!)
Then it's all good long as you know what you dealin'
with (uh-huh!)
Knowledge of the game that I got I'm concealin' it.
(yup!)
I'm talking to all of y'all (all of y'all!) - put the four-four
to ya
Kiss is a warrior. (warrior!) - This is euphoria! What?!

[Chorus]

[Bridge: Rakim (Busta Rhymes)]

The world been waiting for euphoria... [scratches]
(yeah!)
[Screwed] Euphoria! [scratches] (yeah, yeah, yeah!)
The world been waiting for euphoria... [scratches]
Euphoria... (ayo, ayo!)

[Busta Rhymes:]

It's like I'm dealin' with spirits and 'bout to send a ghost
to get 'em
When they hear me spit I make them tremble like the
dope was in 'em. (AHHHH!)
Going into convulsions from the size of the weed bag,
Victims is regular junkies, this celebrity rehab.
Respected by all of the godfathers and the new names
They got a love for my product insert it in their blue
vein. (okay!)
They on my neck when I come around like a new chain
Niggas know my rep and the dosage when I bring the
new flame. (ufff!)
Niggas all feeling the same effect, this shit is lethal,
Like they was shooting the same shit, using the same
needle. (whoop!)
When I'm steady busting hollows I'm always ready to
start this
You niggas is like? when I'm? the cartridge (ha!)
You can see how the drug impacted the street from the
responses, (yeah!)
It saturate the planet was all apart of the process.
(yeah!)
The shit we get we take it to another place, you can't
ignore it!
To a higher stimulation, nigga, shit is so euphoric!

[Chorus]

[Bridge: Rakim]
The world been waiting for euphoria... [scratches] [beat
fades out]
[Screwed] Euphoria! [scratches]
The world been waiting for euphoria... [scratches]
Euphoria...
