There is a woman who is bigger than life  
She has sense nobody else has  
There are magics and there are tough days  
And a stage which is all hers  
For the angels Diva is an empire  
On the stage Diva is a history  
She is all a love song

#### CHORUS

Diva, we shall shout in joy  
Diva Victoria  
Aproditia  
Viva for Diva  
Viva Victoria  
Cleopatra

There are women, tears of life  
They will carry out a prayer with no words  
For the angels Diva is an empire  
On the stage Diva is a history  
She is all a love song

#### CHORUS 2X

Diva, we shall shout in joy  
Diva Victoria  
Aproditia  
Viva for Diva  
Viva Victoria  
Cleopatra
