I know you want to hold me tight.  
There's just one way to do it right.  
Show me passion that I can't resist.  
Love is all there is  
Shiny things can fade or last.  
Many dreams can turn to dust.  
But in the end a kiss is still a kiss.  
Love is all there is?  
Sometimes it all works out.  
Sometimes it falls apart.  
But love's the only chance.  
I'm taking with my heart.  
Sometimes we all want more  
Than what we have to give.  
All I want is love, coz love is all there is.  
Are you the sun that will eat me warm?  
When summer turns to winter storm.  
I need to know: you always felt like this?  
Love is all there is?  
Sometimes it all works out.  
Sometimes it falls apart.  
But love's the only chance.  
I'm taking with my heart.  
Sometimes we all want more  
Than what we have to give.  
All I want is love, coz love is all there is.  
Love is all there is ooh yeah. oo sometimes.  
Sometimes it all works out.  
Sometimes it falls apart.  
But love's the only chance.  
I'm taking with my heart.  
Sometimes we all want more  
Than what we have to give.  
All I want is love, coz love is all there is.  
Sometimes it all works out.  
Sometimes it falls apart.  
But love's the only chance.  
I'm taking with my heart.  
Sometimes we all want more  
Than what we have to give.  
All I want is love, coz love is all there is.

Sometimes it all works out.  
Sometimes it falls apart.  
But love's the only chance.  
I'm taking with my heart.  
Sometimes we all want more  
Than what we have to give.  
All I want is love, coz love is all there is.

I'm Free, like the mountain.  
I'm Free, like the river.  
Goin' through my mind...  
I'm Free hehey like the river  
Ooh hooo I am free  
Free  
Free eee  
I am Free  
Free like the river  
Ooh hooo I am free.
