(The Wedding PlannePlan On Forevrr Soundtrack)

Performed by: Sue Ann Carwell (not Dana Glover)

I have planned my life, to the last detail
With a story book romance to fill my days
But the funny thing about answered prayer
Is they come to you in unexpected ways

How could I plan on forever?
When I never planned on you
Someone to fall for
To love for all eternity
Baby let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give for ever to
My destiny is you

Cause you danced with me, and the earth stood still
My heart can't quite believe how right this seems
When you're in my arms the truth of us
Is better than the best of all my dreams

How could I plan on forever?
When I never planned on you
Someone to fall for
To love for all eternity
Baby let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give forever to
My destiny is you

Sometimes the one you're right for is standing too
close to see
But u saw the light and never gave up on me

Baby, let's plan on forever
And watch all our dreams come true
You're what I live for
Who I can give forever to

Now I see
My destiny
Is you
