If only you would have kissed me
The way that she kissed me
And if only you would have loved me
The way that she loved me

But you didn't, now she's with me
Oh, yes, darling, she's everything
I wanted you to be

And it's not that I
Love her so much more
It's just she gave me the love
I've been longing for

Oh, oh, the love
I wanted from you
Oh, from you, oh

If only you would have wanted me
The way she says she wants me
And if only you said you needed me
The way she said she needs me

But you didn't say a word to me
Oh, yes, darling, she's everything
I wanted you to be

She's everything I wanted you to be
Oh, everything I wanted you to be
Oh, yes, everything I wanted you to be
