15 hundred years ago i found you lying in the sun,  
underneath your gun. i will come and find you when the  
blood has run.

In mining cave I misbehave with guns and glass and  
broken knives while tending to your hives. I will come  
and find you when the blood has run

Yodelay-ee-o yodelay-ee-oh the engineers wife ran  
away with all my hard earned pay..

She jumped on me from a weeping tree, I howled and  
took my final bow and escaped on my old tin cow. i will  
come and find you when the blood has run.

Yodelay-ee-oh yodelay-ee-ay the engineers wife ran  
away, with all my hard earned pay...
