Darling you and I... together
We can make life, worth living
Yes we can
And darling you and I... together, yeah
We can make love, worth living
I know we can
And all we need, all we need oh
Is as much faith
As it takes when you plant a seed
And I believe, yes I believe
Our love will grow
I know I know it's just got to grow

We'll share our joys
And sorrows
Live for today
But think of tomorrow
And all we need, and all we need
Is as much faith
As it takes when you plant a seed
And I believe, baby baby I believe
Our love will grow
I know I know it's just got to grow

We can make life... worth living
Yes we will, yes we will
Darling, oh darling
Just you and I
We can make love... worth giving
I know I know we will
And all we got to do,
I said all we got to do
All we got to do is to rise

We'll share our joys
And sorrows
Live for today, but think of tomorrow
And all we need, all we need baby
Is as much faith
As it take when you plant a seed
And I believe, yes I believe

I know I believe
Our love will grow
I know I know it's got to grow, oh

It's got to grow
Our love will grow
Darling you and I can make our life worth living yeah
Our love will grow
Keep up your head up high
Baby, baby, baby
Oh, put your hand in mine
Our love will grow
I know, I know, I know, I know, I know, I know, I know, I know, I know
It's got to grow yeah
You and I, you and I baby
Can make our life worth living yeah
