saturday-night, kids dressed up, ready to enter a trendy pub
DJ is playing the latest hit, kids are ready for another trip
XTC, speed and fucking coke, sniffed a fortune down their nose
eleven bucks for a drink, and even more to get in
kids start dealing, just to raise cash, for this swindle
money gone, so lets steal some, for this swindle
youth criminality, very common, for this swindle
"hot shot discos", rip off business, just a swindle
