Easy was it ever i don't know
but I've changed my mind a thousand times before
so don't you place your bets on me cause I can't
change
and you may see
that I'm just one of them

I'm never gonna turn around
don't want to see what i left behind
a million secrets safely hidden deep inside my mind

lazy as it seems
it's things I like to keep
people never learn from their mistakes

so don't you put your trust in me
cause I can't change
and you may see

that I'm just one of them

I'm never gonna turn around
don't want to see what i left behind
a million secrets safely hidden deep inside my mind

inside my mind

flashbacks

oh, I know what
I was doing
what a feeling

flashbacks

oh, I know what
I was doing
what a feeling

I'm never gonna turn around
don't want to see what i left behind

a million secrets safely hidden deep inside my mind

I'm never gonna turn around
don't want to see all that I've done
a million secrets safely hidden deep inside my mind
