I was thinking bout the drugs I've done
I was thinking I wasn't hurting anyone
Now I see I hurt no one but myself
Says everybody wishes I would go to hell

I've been falling for so long now
Wont be long before I hit the ground
I got no doubts gonna make it on my own
If I could just figure out how to leave the drugs alone

And I'm gone since I seen a bar room
It's been so long I'm next to a bar room
Now I see women all I need oh yeah
Sent me down that broken road
Can't you see I'm on my knees oh yeah
And I'm slowly getting old and it's scaring the shit out
of me

Open my eyes nothing but a haze
Lucky to be alive oh those crazy days
Look in the mirror and I don't like what I see
It's just getting clerer the drugs have taken over me

And I'm gone since I seen a bar room
It's been so long I'm next to a bar room
Now I see women all I need oh yeah
You sent me down that broken road
Can't you see I'm on my knees oh yeah
And I'm slowly getting old and it's scaring the shit out
of me
Scaring the shit out of me
