Brown eyes my darlin' I love you
Love you with all of my heart
Tomorrow we were to be married
But liquor has kept us apart

Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
I'll never love blue eyes again

Down in the barnyard he staggered
Stumbled and fell by the door
The very last words that he uttered
"I'll never get drunk with her any more"

Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
I'll never love blue eyes again

Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
Beautiful, beautiful brown eyes
I'll never love blue eyes again
