Roll on buddy roll on  
Roll on buddy roll on  
You wouldn't roll so slow if you knew what I know  
Roll on buddy roll on

I got a home in tennessee  
I got a home in tennessee  
I got a home in sunny tennessee  
Roll on buddy roll on

Tenthee(name unclear?) wants a nine dollar shawl  
Tenthee wants a nine dollar shawl  
I come over the hill with a twenty dollar bill  
And ask baby where you been so long

Baby where you been so long  
Yeah baby where you been so long  
Well I been in the pen with the rough and rowdy men  
And asked baby where you been so long

And I never liked no railroad man  
I never liked no railroad man  
Cause railroad man will kill you if he can  
Drink down your blood like wine

Baby whered you stay last night  
Baby whered you stay last night  
Well I slept in the pen with the rough and rowdy men  
Baby whered you stay last night

Roll on buddy roll on  
Roll on buddy roll on  
You wouldn't roll so slow if you knew what I know  
And that's roll on buddy roll on
