There is a woman who is bigger than life
She has sense nobody else has
There are magics and there are tough days
And a stage which is all hers
For the angels Diva is an empire
On the stage Diva is a history
She is all a love song

CHORUS

Diva, we shall shout in joy
Diva Victoria
Aproditia
Viva for Diva
Viva Victoria
Cleopatra

There are women, tears of life
They will carry out a prayer with no words
For the angels Diva is an empire
On the stage Diva is a history
She is all a love song

CHORUS 2X

Diva, we shall shout in joy
Diva Victoria
Aproditia
Viva for Diva
Viva Victoria
Cleopatra
