Gotta move on, gotta move on and, gotta move on and
on

(Repeat each verse X2)

Just little bit of action
Just a little reaction on
Carry on
Gotta move on
Gotta go on and on

Just a little of nowhere
Just a little of somewhere on
Carry on
Gotta move on
Gotta go on and on

Just little bit of action
Just a little reaction on
Carry on
Gotta move on
Gotta go on and on

Just a little of nowhere
Just a little of somewhere on
Carry on
Gotta move on
Gotta go on and on

My momma says if you get things done
You better not mess with it
My momma says if you get things done
You better not mess with it

You better not mess with it

Gotta move on, gotta move on and, gotta move on and
on

Just little bit of action
Just a little reaction on
Carry on

Gotta move on
Gotta go on and on

Just one day to love you
Just one day to leave you on
Carry on
Gotta move on
Gotta go on and on

My momma says if you get things done
You better not mess with it

Gotta move on, gotta move on and, gotta move on and
on
Gotta move on, gotta move on and, gotta move on and
on
