Do you want to see the bed in flames  
Do you want to totally perish  
You want to stick the dagger in the sheet  
You want to lick the blood from the dagger  
Rammstein  
You see the crosses on the pillow  
You think innocence may kiss you  
You believe killing might be hard  
But where are all the dead coming from  
Rammstein  
Sex is a slaughter.  
Love is war.

Do you want to see the bed in flames  
Do you want to totally perish  
You want to stick the dagger in the sheet  
You want to lick the blood from the dagger  
Rammstein
