I am the rider  
you are the horse  
I climb on  
we ride off  
you moan  
I whisper to you  
an elephant in the eye of a needle  
In, out  
I am the rider  
you are the horse  
I have the key  
you have the lock  
the door opens  
I enter  
life can be so splendidous  
In, out  
Deeper, deeper  
Say it! Say it loud!  
deeper, deeper

I am well within your skin  
and a thousand elephants break out  
The ride was short  
I am sorry  
I climb off  
I have no time  
I must go now to the other horses  
they also want to be ridden  
In, out  
In (deeper)  
Out (deeper)
